MEMORANDUM FOR: Intelligence Requirements Officer

SUBJECT : Draft of Cable [ ]

50X1

1. Herewith is the draft of a cable we were going to send [ ] but held for discussion with [ ] If you do decide to send out something like this after discussing with [ ] I suggest you change it to avoid the reference to the ARC in my paragraph 2. This reference would have been meaningful to [ ] but probably would not mean anything to [ ] so I would reword the paragraph.

2. As to the action to be taken on this, I have already told them that I am willing to provide a System III (if that is really what is wanted). I rely on you, however, to establish that the requirement is valid especially taking into account anything that the Navy or Air Force may be doing in the Baltic.
